Appetizers/Hors d'oeuvres

All items listed below reflect a surcharge which covers the cost of garnishing and plating the dish. The cost also includes rental of our platters, or the cost of disposable trays, or the garnishing of platters and plates provided by the client. Serving utensils are provided (*price includes the rental of ours or disposable items.*)

Items on this menu will be prepared for no less than 25 persons per item, plus the entire catering order must be no less than \$150. Delivery and/or wait staff is available for an additional charge.

If you do not require plating or garnishing and would like to avoid surcharges, we have a separate and complete menu of appetizers for carryout.

Some price changes may occur without notice to this menu but will be reflected on any estimates or bids.
